

Warehouse Facilities

Plains Commerce Bank and its Windsor Mortgage division are rooted in relationships. Whether a seasoned correspondent or mortgage broker transitioning to correspondent delivery, Plains Commerce Bank Warehouse Facilities and Windsor Mortgage Correspondent Lending work together to help you grow your business.

We go beyond traditional warehouse lines with superior advance rates that will enable you to expand your funding capacity, acquire additional origination capabilities, or pursue other business improvement opportunities.

Windsor Mortgage offers broker, non-delegated and delegated correspondent delivery, an extensive product selection, consistently aggressive pricing, and best-in-class levels of customer service.

Facility approval and funding in less than 30 days

- Transparent pricing with a single advance fee and a modern pricing index
- Advance over 100% of the note amount on eligible products
- No non-utilization fees
- No application fees
- Seamless wire requests through internet-based system with 24/7 access
- Individual and bulk funding available
- Reduce interest expense on Windsor deliveries with less time-on-line*
- Audited financials optional

*Projected as a result of in-house synergies between Plains Commerce Bank and Windsor Mortgage
